Important Notice

The value of units in Starhill Global REIT ("Units") and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager, HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of Starhill Global REIT), or any of their affiliates. An investment in Units is subject to investment risks, including possible delays in repayment, loss of income or principal invested. The Manager and its affiliates do not guarantee the performance of Starhill Global REIT or the repayment of capital from Starhill Global REIT or any particular rate of return. Unitholders have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the SGX-ST.

It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units. This document is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. The past performance of Starhill Global REIT is not indicative of the future performance of Starhill Global REIT. Similarly, the past performance of the Manager is not indicative of the future performance of the Manager.

This document may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, outbreak of contagious diseases or pandemic, interest rate and foreign exchange trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's current view on future events.
